

Notification

The Parish Office requires a minimum of 72 hours notice for opening a grave. The person in charge of the funeral will present a check for the amount of the grave opening to the cemetery manager at the time of the burial. From time to time, the Cemetery Committee will set the charges for grave opening and closing. This amount will be deposited with the Parish Office.

The Cemetery Committee will advise, from time to time, what the charges for burial rights will be. The Parish Finance Council shall set the appropriate fees upon the advice of the cemetery Committee and post said fees.

The Cemetery manager or acting manager is in sole charge of the funeral procession and all other elements of the burial ceremony.

These rules and regulation become effective upon recommendation of the parish Cemetery Committee and final approval by the pastor or Pastoral Leader.

The Regulations and Guidelines set forth in this Burial Information brochure are NOT all-inclusive.

Rules & Regulations

St. Rose Parish Cemetery

St. Rose Cemetery was created as a final resting place for the faithful departed of our parish and their immediate families. It is our sacred duty to preserve this resting place in perpetuity until that time when Jesus comes again to bring all of us home to be with him.

St. Rose Cemetery is part and parcel of the corporate structure of St. Rose Catholic Church, Clintonville, Wisconsin. The Parish Cemetery Committee, as a subcommittee of the Parish Finance Committee, is immediately responsible for the operation and management of the cemetery. Any question regarding the operation of the cemetery, for arranging burials or for purchasing burial rights shall be directed to the Parish Office at 715-201-9913.

Burial rights (graves) are sold individually by the representative of the Parish. When rights are paid in full, the Parish office shall issue a Certificate of Easement.
